## Our Savior Lutheran School News

# January 22<sup>nd</sup>, 2019

### Congratulations Miss Allen!

Congratulations to Miss Allen, our Kindergarten teacher, who was surprised with a \$250 "One Class at a Time Grant" from Dr. Grubaugh with Grubaugh Orthodontics! She is excited to use this money to add flexible seating to her classroom!

### MSU Guest Speaker

Last Friday, we welcomed a guest speaker, Tyler Derr from Michigan State University. He is a PhD student in the Computer Science and Engineering program at MSU. Tyler discussed a wide range of topics including computer programming, artificial

intelligence, friend/item recommendation on sites such as Facebook/Amazon. He did a great job stimulating some interest for students to pursue a STEM related career.

### "Getting To Know You" Mrs. Kate List

#### What is your role at Our Savior?

*I teach 5th grade (all subjects) and 8th grade science.*

#### When did you decide to become a teacher?

*I decided to become a teacher my Junior year of college. I was studying to become some sort of a doctor or scientist but realized - with the help of my father and Chip May (Camp Director at Camp Arcadia) - that I had a gift working with youth, and I loved it! So, I decided to switch to the School of Education and pursue a career teaching science and other subjects.*

#### What is your favorite subject to teach? Why?

*I love teaching science because it allows students to be "hands on and minds on". Science is real, exploratory, and fun!*

### HOT LUNCH TIDBIT

*Super Snack options - 100 calories or less*

#### Crackers with Cheese

Choosing whole-grain crackers is the key. The fiber will keep you feeling full between meals, and the cheese provides protein and calcium. To

stay under 100 calories, cut up one slice of low fat cheese and split over three crackers
