Mission Statement of Our Savior Lutheran School:

Learn, Live, and Share Christ!

School Mission Strategies: The ministry of Our Savior Lutheran School derives from the mission to learn, live, and share Christ by, teaching the Christian faith, promoting academic excellence, and developing leadership skills for a life of Christian witness.

“Train up a child in the way he should go; and when he is old, he will not depart from it.” Proverbs 22:6

From these words of Holy Scripture come the purposes for operating a Lutheran Christian School:

- To provide thorough instruction in God’s Word so that your child:
 - May learn to know and trust Jesus Christ as their ever-loving Savior.
 - May be led by the Holy Spirit to do that which is God-pleasing.
 - May be prepared to live with God eternally in heaven.
- To assist the home in carrying out its role as commanded by God. (Ephesians 6:1-4)
- To help children discover and develop their God-given talents and abilities, that they might use them to His glory and for the benefit of their fellow man. (1 Peter 4:10)
- To maintain high standards of education at all grade levels, taught in the light of God’s will and design. (Ephesians 1:11)
- To assist parents in developing the kind of Christian character that will make the graduates at Our Savior leaders, serving God in church and in the world. (Colossians 4:5-6)

A Philosophy of Christian Education

Our Savior Lutheran Church operates a Christian Day School for the very purpose of telling and reminding children of the Gospel.

OUR SAVIOR LUTHERAN
Church and School

Learn, Live, Share...Christ

In every aspect of our school day, whether it is during lessons or at play, whether it is teaching or correcting, **Our Savior exists to be spiritually focused and to teach children to be disciples of Christ.**

The child of God becomes a disciple as he understands the distinction of Law and Gospel and, thereby, understands his relationship to God and his fellow man. The disciple of God lives in a contemporary world while educating himself and being taught the skills needed for the future. The child then must be taught how his Christianity relates daily with people who may not be Christian. Christian values, as they are described in scripture, are taught to the child by word and example. Hence, the proper Law and Gospel distinction not only helps the child relate to his fellow man, but also further develops an accurate self-concept for the child.

The child should understand the Lutheran and Christian heritage to become more aware of the communion of saints and his Christian family roots. The school, as a model family, becomes a caring, worshiping, witnessing community of teachers, parents and children. Because the Our Savior family lives under the name of Christ and His love, Our Savior maintains the highest possible standards to enable the children to develop their God-given abilities to their potential. These standards apply to our total effort as the teacher and child interact in order to nurture the whole child - mind, body, and spirit.

This can happen most efficiently as the family, the church, and school cooperate in the child's behalf.

Administration of the School:

God's Word, as found in the Holy Bible, is the source of supreme authority. The Board of Directors of Our Savior Lutheran Church is responsible for all ministries of Our Savior Lutheran Church. The senior pastor is charged with the administration of all operations of Our Savior Lutheran Church, including Our Savior Lutheran School. The principal is charged to assist the senior pastor with administration of the operations of Our Savior Lutheran School.

School Accreditation: Our Savior Lutheran School is one of over 1,000 Missouri Synod Lutheran elementary schools in North America and one of 75 in the State of Michigan. These schools are coordinated by regular teachers' conferences, principals' workshops and by the office of the Superintendent of Schools - the Michigan District of the LCMS, Ann Arbor, Michigan. Our Savior Lutheran School is administered according to the State of Michigan's required standards of elementary education. Teaching personnel are certified by the State of Michigan. Qualified Christian teachers teach God's Word together with a prescribed course of study leading to entrance into high school. In the spring of 2018, Our Savior Lutheran School concluded the accreditation process and received **National Lutheran Schools Accreditation (NLSA), Michigan Non-Public Schools Accreditation (MANS), and Michigan District Accreditation. The current accreditation is valid through 2023.**

I. ADMISSIONS & ENROLLMENT

A. Admission Priority: Our Savior Lutheran School's primary mission is to teach children about Jesus. Any parent desiring a quality Christian education for children may apply for admission. Community families who do not attend Our Savior Lutheran Church should

contact the school office first and arrange an appointment with the principal. Applications will be considered in the following order:

1. Enrollment of current students and their siblings
2. Enrollments from members of Our Savior Lutheran Church
3. Enrollments from other Lutheran Church Missouri Synod (LCMS) church members and Lutheran Churches
4. Enrollments from the community received in chronological order
5. Enrollments will be processed until classes have reached maximum level of 25 students. Increase in class size may occur under special circumstances and after the principal's consultation with Christian Education Team (CET), the pastor, and the classroom teacher. If the maximum class size is reached, the principal is to establish a waiting list with members of Our Savior and our affiliated congregations given preference for future enrollment.

B. Application Procedures

1. Become acquainted with the purposes and missions of Our Savior Lutheran School by an appointment with the principal.
2. Obtain an "Application for Enrollment" form for grades K-8 from the school office.
3. Submit a completed enrollment application and an enrollment deposit to the school office.

C. Principles and Conditions for Enrollment

1. Primarily, the religious program of the school should motivate the parent(s), and parent and child must agree to participate in the religious programs the school offers.
2. The parent(s) shall give assurance that they will cooperate with the school in all matters of program and policy.
3. **Kindergarten Age Requirement:** Children entering Kindergarten must have reached the age of 5 years on or before September 1.
4. **Immunization:** Michigan law, according to Section 9208 of the Michigan Health Department Public Act #368 of 1978, states the following: *"A parent, guardian, or person in local parentis applying to have a child registered for the first time in a school in that state shall present to school officials, at the time of registration or not later than the first day of school, a certificate of immunization or statement of exemption under Section 9215. A teacher or principal shall not permit a child to enter or attend school unless a certificate indicating that a minimum of one dose of an immunizing agent against each of the diseases specified by the department has been received and certified by a health professional or local health department."* A parent, guardian, or person in local parentis having a child register with only these minimum doses of immunizing agents shall present an updated certificate of immunization within four months after initial attendance showing that the immunizations have been completed as prescribed by the department. Parents of children entering school for the first time in Michigan are reminded that each child must be immunized for diphtheria, pertussis, tetanus, polio, smallpox, rubella, chicken pox, measles and Hepatitis B. Vision and hearing examinations are also required. The information must be brought to school on the first day or within a reasonable time after school has begun. Family physicians may do the immunization, or you may take the child to the Eaton County Health Department, 528 Beech Street, Charlotte, MI. Free clinics are available at both the Barry-Eaton District Health Department and at various Outreach clinics in the area. Please call (517) 543-2430 or (517) 485-7110 for specific dates and places. It is Michigan law that all **new entering** students must have the Hepatitis B immunization. A parent or guardian must provide dates when the

immunization for hepatitis was given, a physician signed statement that the child “is in process” of completing the three (3) vaccinations series for Hepatitis B, or a signed statement that the parent does not choose to have their child(ren) immunized against Hepatitis B for religious reasons or other noted reasons of objection. **It is the law beginning with the 2002-2003 school year, that all seventh grade students have an immunization assessment.** This law was passed so that there would be a means of assuring that children are adequately immunized against preventable diseases before they reach adolescence when some diseases become a greater threat to their health. Every parent must present written proof that their child has received all immunizations required by the Eaton County Health Department. This proof is usually a form used by doctors that lists the immunizations and dates given. This proof must be presented on or before the first day of school. Those not receiving the required immunizations must have a waiver signed by the county health department on file in the school office before starting school.

5. **Birth Certificate:** A copy of the birth certificate must be on file in the school office before the first day of school.
6. **Child Information Record (CIR):** This record is required for each student before the first day of school. The record contains student and family contact information and emergency information. It is to be on file in the school office. The office should be informed immediately if phone numbers and/or addresses change during the year.
7. **Transfer Students:** All students transferring from another school in grades K-8 must present a grade report from their previous school; they must also complete all the required enrollment forms. Parents shall provide a name, address, and phone number of previous school so information needed for enrollment may be requested.
8. **Grade Level Placement Policy:** Placement will be made according to the recommendations of the previous teacher/school. Our Savior Lutheran School wants all children to succeed at an age appropriate developmental grade level. Until all records and forms are received, enrollment and grade placement are conditional.
9. **New Student Probationary Period:** All new students who enroll at Our Savior Lutheran School are on probation for a period of nine weeks. In the event that significant information is withheld or there is inaccuracy of information provided, and/or if upon receiving files from the student’s previous school there is reason to be concerned about meeting the educational needs of the student, Our Savior reserves the right to reconsider the student’s enrollment.
10. **Any student may be denied admission for:**
 1. Refusing to comply with enrollment policies.
 2. Having a history of not being able function spiritually, emotionally or academically in a regular classroom.
 3. Having a history of discipline problems.
 4. Our Savior Lutheran School’s inability to provide specialized services such as special education, English as a second language, and other specialized services for which staff are not certified or trained.
11. All required forms including, but not limited to, the enrollment application, child information record, immunization record, parent pledge and tuition agreement, must be submitted before a child is officially enrolled.

D. Our Savior Lutheran School admits students and administers its educational programs, athletic and other school-administered programs in accordance with the law.

1. [Title VI of the Education Amendment Act of 1964](#) (Race, Color, or National Origin Discrimination).
2. [Title IX of the Education Amendment Act of 1972](#) (Sex Discrimination), or
3. [Section 504 of the Rehabilitation Act of 1973](#) (Handicap Discrimination)

II. TUITION, BILLING, & FEES

- A. TADS:** TADS manages family tuition accounts, billing statements, and invoices for tuition collection. TADS also manages before and after school extended care fees. Contact the school office or business office with any questions.
- B. TUITION:** Tuition covers a portion of the cost for a quality education that includes curriculum, textbooks, technology, and school staffing. A discount is given on total tuition for families with multiple children enrolled.
- C. Tuition Agreements:** Tuition agreements are made available in February once a student is enrolled through TADS. Parents are requested to sign tuition contracts by May 1.
- D. Tuition Billing & Payment Process:** Tuition can be paid using the following options
1. **One payment** - due August 1st
 2. **Two payments** - 50% due August 1st, 50% due December 1st
 3. **Monthly payment** – 10-month contract (beginning in August and requires a TADS processing fee).
- E. Late Fees:** **Late fees are assessed on all invoices billed in TADS that are not paid by the due date. There is a 5-day grace period for each invoice. Once the grace period is over, a TADS administration fee is added to the billing account. This fee is a TADS Administrative fee and not an Our Savior Lutheran School fee. If you need to pay an invoice after the due date, please contact the business office prior to the due date to make necessary adjustments. Once the fee is assessed the school cannot remove it.**
- F. Tuition Assistance:** The Our Savior congregation has a long-standing belief that tuition should not prevent a child from having the opportunity to obtain a Christian education. If any parent feels that they will be able to pay only a portion of the tuition, they are encouraged to apply for tuition assistance (Message of Hope Scholarship) by submitting the application to TADS, an independent company that reviews all applications and recommends a tuition amount. The **Message of Hope Scholarship Fund** exists to give financial aid to families seeking a Christian Education by overcoming financial barriers. In addition to the generous support given by Our Savior Lutheran Church, the scholarship fund helps to meet specific needs for families on a case-by-case basis. Learn more about the Message of Hope Scholarship and its impact at <https://www.oursaviorlansing.org/message-of-hope/>. Forms are available online at <https://www.mytads.com/>. The deadline to apply to tuition assistance is April 1. After April 1st, tuition assistance applications will be reviewed with any remaining scholarship funds available.

Tuition Assistance Committee (TAC) reviews TADS applications and assigns tuition assistance to families that qualify based on need. Any questions regarding the tuition assistance process shall be directed to the principal. It should further be noted that Our Savior Lutheran School does not discriminate on the basis of race, color, nationality, and ethnic origin in administration of its educational policies, admissions policies, tuition assistance, and athletic or other school-administered programs.

- G. Refunds:** Will be issued on a prorated basis per business manager approval.

- H. Fees:** Fees for childcare, athletics, hot lunch, and other items not included in tuition, will be billed through TADS.
- I. Lunch and Milk Fees:** Payments for lunch and milk are pre-funded and made directly to the school with the receptionist or online at www.oursaviorlansing.org under School Payments. Families may track their lunch and milk account within their Educate dashboard. If you have any questions regarding payments or fees, please see the Business Administrator.
- J. Payments:** If you would prefer to pay in the office, all payments are turned in to the receptionist during office hours, or in the drop box in the office hallway. If you pay in the office or via the drop box, please use an envelope with your student's name, grade, amount enclosed, and reason.
- K. Free & Reduced Lunch Program:** A family may qualify for the federal government's free and reduced-price lunch program. Applications for this program will be available in the school office. Our Savior Lutheran School, 7910 E. St. Joe Highway, Lansing, MI 48917 operates its school lunch program in accordance with U.S. Department of Agriculture policy and receives and uses federal funds and United States Department of Agriculture donated foods. No person, because of race, color, national origin, sex, age or handicap shall be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in our United States Department of Agriculture donated food and child nutrition programs. Any person who believes he or she has been discriminated against in any USDA-related activity should write to the Administrator, Food and Nutrition Service, 3101 Park Center Drive, Alexandria, VA 22302 or to the Secretary of Agriculture, Washington, D.C. 20250.

III. SCHOOL LIFE

A. School Calendar: The principal constructs a school calendar. Staff and the Christian Education Team review the proposed calendar. The state of Michigan requires public and non-public schools to be in session for 180 school days. Our Savior Lutheran School fulfills the requirement through our accreditation with Michigan Association of Non-Public Schools (MANS).

B. School Hours:

| Preschool | 3-year-old: | Tuesday & Thursday (AM) | 8:15 – 11:15 AM |

C. School-Home Partnership

1. Cooperation is expected between the teachers and the parents. Teachers will keep in touch with the home. Contact is made through meetings, phone calls, emails, etc. Parents are encouraged to contact the teacher whenever a concern exists.

2. Classroom newsletters, classroom websites, Educate, and Facebook (<https://www.facebook.com/oursaviorlutheranchurchandschool>) are additional important means of communication.
3. Schoolwork and homework may be assigned to help students develop learning and skills. Parents are encouraged to be involved with this important activity, including providing a quiet well-lit place in the home where work can be done without disturbance.
4. Parents are asked to consult the teacher if the child consistently requires more than 1 ½ hours of homework for grades 6-8 (accelerated classes may require additional time) or more than an hour for grades 4-5 and a half hour for grades K-3.
5. **Parent-Teacher Conferences:** Parents and teachers may request an appointment to conference regarding a student at any time. Required parent-teacher conferences occur in November. This conference is for teachers and parents to discuss the child's learning and progress. An optional conference is available in the spring and may be requested by the parent or teacher.

D. Student Attendance

1. **Absences:** On days when your child is going to be absent, please notify the Our Savior attendance line by phone (517-925-5059) or by email.
2. **Reporting Absences:** In the case of all absences, the reason the child is absent must be provided to the receptionist office AND to the child's teacher through an email message or call to the attendance line. If the school office does not have a record of a student's absence, parents will be contacted to verify the absence. The school is required by law to report daily absences involving sickness to the health department.
3. **Single-day absences** for reasons other than illness should be arranged and excused with the student's teacher at least 24 hours in advance of the absence.
4. **Multiple-day absences** for reasons other than illness or family emergencies should be communicated to all of the student's teachers a minimum ten instructional days before the start of the absence in order to make arrangements for assignments and/or activities the student will miss.
5. **Make-up Work From Absence:** Students who are absent for any reason will be required to make up work missed in each class. One day is granted for each day of absence. Additional days may be granted solely at the teacher's discretion. A day's absence does not excuse a student from the responsibility for the work due on the first day of the absence. It is the student's responsibility to obtain all make-up work from his teachers immediately upon return to school. Failure to obtain make-up work is no excuse for not doing work missed. Parents should follow up with their student(s) to ensure all work is made up.
6. **Medical Appointments:** Parents are encouraged to schedule appointments with doctors, dentists, or orthodontists after school hours or on school holidays. However, we understand this is not always possible. A written note or email message should be presented to the teacher prior to the absence and arrangements made for completing assignments and course work. If your child has a planned late arrival to school, please inform the receptionist office AND teachers and the expected time of arrival.
7. **Planned Extended Absences**
 1. The teacher and the office is to be notified in writing of the absence a minimum of two weeks before the absence is to be taken. If your child has more than one teacher, each of them should get a note or email.

Advanced absence forms are available for this purpose and parents are encouraged to use them to report their intentions to teachers and the school office.

2. It is up to the teacher’s discretion to provide class work in advance of the vacation period as lesson plans are often made at the conclusion of the week. Homework given prior will only be an estimate of what may be missed during the period of absence and may not be inclusive of all the material covered during the absence.
3. When the student returns from an extended absence, all teacher pre-assigned work, including tests, papers and projects, are to be completed and turned in. For any work not pre-assigned, the student will be given one day for every day absent or a maximum of five days to complete unfinished work.

8. Student Illness: Please do keep your child home if he/she is sick. Colds, sore throats, stomach ailments, etc. spread quickly among students and staff. Please follow the guidelines below to determine if your child can return to school.

1. Illness

| Student’s symptoms/diagnosed illness | Student may return to school when... |
|-----------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Fever greater than 100 degrees (orally) | Temperature below 100 degrees (orally) for a minimum of 24 hours without use of fever-reducing medication |
| Rash or rash with fever — new or sudden onset | Rash disappears; written or phone consent from a medical doctor to school office |
| Brown, gray, tan or yellow drainage from nose, eyes or any other part of the body | Discharge must be gone, or student must have been on antibiotics for 24 hours and have written or phone consent from a medical doctor to school office |
| Vomiting/diarrhea | Symptom-free for 24 hours |
| Cough: Deep, barking, congested or productive mucous | Symptom-free or student must have been on antibiotics for 24 hours and have written/phone consent from a medical doctor to school office |
| Strep throat diagnosed by a medical doctor | Must have been on antibiotics for 24 hours and have written/phone consent from a medical doctor to school office; if no antibiotic given, call school office before sending child to school |
| After an illness of two or more weeks, surgery, or other change in health status | Written instructions from the doctor and parent regarding medication or special health needs must be provided to the school office. |

2. **Head Lice** - It is common to have cases of head lice and other related problems in the school throughout the school year. It is the responsibility

of parents/guardians to check student's heads on a regular basis. Students are encouraged NOT to share their clothing/coats, hair accessories, brushes, combs or hats. Although head lice are not a health threat, they are contagious with direct contact. Active infestation is defined as the presence of live lice or nits found within ¼ inch of the scalp. Therefore, when an active head lice infestation is found, our school practices are:

- a. The child should be restricted from activities of close contact or sharing items with other children.
- b. The parent/guardian will be contacted, and the child should be sent home.
- c. Other student's will be checked for head lice only when infestation is suspected.
- d. Parent/guardians & students are expected to follow instructions for treatment/prevention of Head Lice.
- e. A letter should be sent home notifying classmate's parents that an active case of head lice was detected.
- f. Upon return to school, the student must be accompanied by the parent and brought to the school office.
- g. The student will be rechecked for an active infestation prior to re-entry. The primary goal is for the student to be Nit Free, yet it is within the school administrator's discretion whether the student will be readmitted.

9. Tardies: When a student arrives late to school (any time after 8:15am), he/she is considered tardy. A parent or adult should check the student in at the receptionist office. Absences and tardies are tracked in Educate. An admittance pass will be needed by the tardy student to enter class after the beginning of the school day. After five tardies in a trimester, the family will be notified of the concern. After ten tardies in a school year, parents will be required to meet with the principal to discuss an improvement plan for school attendance.

10. Dismissal During School Hours: Students who need to leave school grounds during any time of the day must have the written permission of their parents and be accompanied by an adult. The receptionist office must be informed if the student is to be picked up early and a parent must check out the students in the office when leaving the building. The school office in Educate tracks late arrivals and early exits during the school day. Whenever such permission has been granted, full responsibility rests with the parents/guardians.

1. To excuse a student during school hours, the following procedures are in place:
 - a. Written note to teacher/receptionist office in advance
 - b. Parent report to receptionist office to sign out the student
 - c. Student is released from the receptionist office

11. Truancy/Chronic Absenteeism: Chronic absenteeism is when students miss 10% or more of scheduled school days (to date). This includes excused and unexcused absences. If a student is chronically absent/truant, the following steps will be taken:

1. Notification of excessive absences will be made with parent/guardians

2. If attendance issues persist, administration will notify [Eaton RESA Truancy Intervention Service](#). An attendance improvement plan will be established in coordination with the student and family.
3. If improvement is not noted, a second referral for truancy will be made to the Eaton County Truancy officer.

IV. **SCHOOL COMMUNICATION**

The Our Savior Lutheran School News is shared weekly by email. A hard copy of the newsletter is available upon request. The newsletter and other school announcements are available on the dashboard of your Educate account. Classroom newsletters are also available in the document section of your Educate dashboard. The Our Savior Lutheran home page at <http://www.oursaviorlansing.org> lists current information that is updated weekly.

Our Savior Lutheran uses TADS/Educate as our Student Management System. This system allows teachers and families to communicate, view grades and report cards, calendars and events, and lunch account balances.

Social media communication is available through our ministry Facebook page, [facebook.com/oursaviorlutheranchurchandschool](https://www.facebook.com/oursaviorlutheranchurchandschool). Facebook posts are added to inform and share school and church ministry activities. Check with your child's classroom teacher on any other communication resources for the classroom.

Our phone and text notification system, TADS/Educate, offers an automated notification service designed for emergency notifications, attendance calls, ministry informational messages, and a variety of other school-related notifications. It will also be used for time-sensitive announcements such as school cancellations or weather-related delays. Parents should annually update their communication preferences within Educate for general and emergency information (phone, text, email).

A. School Emergency Communication

1. School Closing in Severe Weather

In the event of severe weather, the decision on whether to close Our Savior Lutheran School will be made independently and is not contingent on the decision of Grand Ledge Public Schools to close school. The safety of our school families remains a priority. Parents always reserve the right to keep their child(ren) home or delay their arrival until conditions improve.

Local school districts and other school closings in our communities will be only one of the many factors in our decision to close school due to inclement weather, cold temperatures, or poor road conditions. **Any school closing will be shared via phone alert message, Our Savior website, Educate, Facebook, and TV stations WILX, FOX47, and WLNS.**

If it becomes necessary to close during the school day, the principal and staff will make attempts to contact families via Educate, phone alert, the Our Savior website, and other media outlets. It is the parent/guardian responsibility to pick up students in a timely manner.

V. SCHOOL LUNCH PROGRAM

Hot Lunch: Hot lunch is a “Type A” lunch including offerings of milk, main item, vegetable, fruit and grain. No dessert, as such, will be included with this “Type A” lunch. The hot lunch fee is \$3.65 for students and \$4.65 for adults.

Cold Lunch: Students who bring a cold lunch from home must include their own silverware and all necessary items for their meal. There will be a microwave available for students who bring their lunch from home. Students must be able to prepare their own lunch and operate the microwave on their own. There will not be lunch personnel available to assist them with microwave use. The student is also responsible for wiping out the microwave after every use.

A La Carte: A variety of nutritious snacks, treats and dessert will be available for individual purchase four days per week (Monday/Tuesday/Thursday/Friday). Fruit, popcorn, fruit snacks, and ice cream are examples of things that will be available. The a la carte line will be open to everyone including children who bring their own lunch.

Milk: Milk is included with the price of hot lunch and individual milk cartons are also available for students who bring their own lunch from home or would like an extra one with their meal. The cost of a milk carton is due at time of purchase from a la carte. The milk fee is \$.65 per milk carton.

Monthly Lunch Menu: A monthly lunch menu is sent home with students, is available on the info wall outside the school office and is also posted on the school website and in Educate. Children will be expected to eat what they take so they should not take what they will not eat. Since children will be serving themselves, they should have enough to eat.

VI. BEFORE AND AFTER SCHOOL PROCEDURES

The safety of our children is our highest priority. Thank you for taking extra precautions and extra time to maintain our safe school zone.

Before School: Students may enter the school building beginning at 7:55am and report to the Commons. At 8:00am (at the ring of the school bell) students may report to their designated classrooms and locker area. Students are to go to their assigned classroom with necessary materials for class and are not to leave their room unless permission is granted from their teacher.

Early Childhood students (and their siblings) may be dropped off at the south side of the building near the Outdoor Classroom. Early Childhood will notify parents when this drop-off is unavailable per weather conditions.

After School: Closing of classes begins at 3:05pm with our end of the day closing prayer. Dismissal is at 3:15pm. Parents are responsible for prompt pick-up between 3:15pm & 3:30pm. Any student not picked up before 3:30pm will be signed in at Extended Care unless another temporary arrangement has been made with the school office. After 3:30pm students are to have reported to supervised areas as requested by a teacher (tutoring, after-school task), participating in a supervised activity (club, athletic team, music rehearsal, etc.), or attending the Extended Care/Extension Program.

End of Day School Dismissal Procedure:

Teachers will escort classes of students to the front school sidewalk area. A staff member will be on duty to assist students and families through the crosswalk. Staff members are also supervising along the sidewalk and assisting with the orderly loading of students in vehicles. Parents shall have their car name tag visible for staff to place students in correct vehicles. Staff members will assign students in five number locations according to the vehicle pick-up order.

Curbside Drop Off Guidelines for Before or After School

1. Drive slowly through our parking lot and through the car line.
2. Drivers are to turn right immediately after entering the parking lot and travel around the outer edge of the parking lot (west to south to east to north) and pull along the front of school curbside facing north.
3. Drivers may also turn up the aisles to park and walk across the crosswalk.
4. All students should enter or exit their vehicles on the passenger side when being dropped off or picked up through the car line.
5. Please be patient when using the car line.
6. **PASSING IS PROHIBITED**
7. Students need to cross the parking lot with adult supervision.
8. Drivers give crosswalk pedestrians the right of way.

Parking Lot and Car Line Guidelines:

1. Families may park in the parking lot and enter the school entrance doors to drop off and pick up their child(ren) inside the building.
2. Curbside pick-up is permitted along the front curbs of the school. Parents may pull up to the curb and remain in their car to pick up their child(ren). Children will be escorted outside the building by staff from both the church and school main entrances to the curbside pickup area in front of the school.
3. Families shall refrain from leaving their car unattended along the curb in front of the school building before, during, and after school.
4. Please never leave your vehicle operating and unattended.
5. During severe or extreme weather conditions, school officials may elect to move the curbside drop off to below the overhang (i.e. snowstorms, freezing temperatures, downpour rains).

Student Biking Policy:

The school regards the riding of bicycles to school by students as an assumption of responsibility by students and their parents-a responsibility in the care of property, in the observation of safety rules, and in the display of courtesy and consideration towards others. Our Savior Lutheran School assumes no liability for injuries occurring outside school property. Bikes shall be locked at the bike rack location near the school building.

Our Savior Lutheran School strongly recommends that students and their parents follow recommended bicycling safety guidelines and always use their common sense and good judgment.

All children must wear a properly fitted helmet when riding a bicycle.

3rd grade and below:

Children in 3rd grade and below should be accompanied by an adult when bicycling to or from school. Students who ride bicycles to and from school must have written consent from a parent or legal guardian.

4th grade and above:

Children in grades 4 and above may ride their bike to school without adult supervision. It is suggested that children ride in the company of others. Students who ride bicycles to and from school must have written consent from a parent or legal guardian.

VII. FAITH FORMATION

The teacher within each classroom conducts daily devotions. This is time to draw near to the Lord through hearing His Word, prayer and song.

Chapel worship is held once each week. In worship we:

- Praise God in song
- Confess our sins, and hear the word of forgiveness in the name of Jesus
- Listen to God's Word, meditate and pray to grow in faith
- Unite in presenting our prayers, thanksgivings and petitions to a God who answers in a way that is best for us.

Chapel Families worship together each week. Chapel families consist of representation from each grade level. Each family is assigned an 8th grade student leader and staff member.

Occasionally chapel families will worship as a single family within the classroom led by the staff member.

The **chapel offering** is an opportunity to give back to the Lord as He has given to us. Students are encouraged to participate with a chapel offering. Each trimester has a designated offering to support local and global missions.

Classroom and School-wide Service Projects are opportunities for our school family to bless and serve others in our community and around the world.

Within the Christian life we learn that worship is more than meeting in church. Our life of work, play and worship is to be one in Christ. Parents, family and friends are welcome to join us in chapel.

Church Attendance Policy

Believing that our role at Our Savior Lutheran is to assist the home and church in the task of training young people, we believe that it is of the utmost importance for all of our students and their families to worship. ***We do not believe that Our Savior Lutheran Church and School is working in harmony with the home if the family is not regularly attending worship at their home church.*** Student church attendance will be recorded weekly and reported every trimester on the report card. The Our Savior Live Stream is available and counts towards weekly attendance. Midweek services also count towards weekly attendance (Lent and Advent Services). This recording serves as a reminder of the importance placed on faithful worship.

Our Savior Lutheran Members: In order to foster their Christian growth, families who are members of Our Savior Lutheran Church are expected to maintain regular and faithful church attendance at Our Savior for each of the three trimesters of the school year.

If a student's church attendance drops below 50% for any school trimester, the senior pastor will be notified in their role as spiritual counselor. Upon the discretion of the senior pastor and school principal, poor church attendance may impact tuition membership rate received by Our Savior Lutheran members.

Community Members: For students who are members of congregations other than Our Savior Lutheran, regular and faithful church attendance is also expected.

If families without a church home have enrolled their children in Our Savior Lutheran School, it is assumed that they are seeking Christian training for their children. Since worship is essential for Christian growth, such families are invited to worship at Our Savior Lutheran Church.

Faithful Church Attendance Awards will be given to students who do not miss more than a total of three Sundays during the entire school year.

Exemplary School Attendance Certificates will be given to students who do not miss more than a total of three school days during the entire school year. It is possible to have more than one valedictorian and salutatorian.

IX. FIELD TRIPS

Our Savior Lutheran School encourages educational trips as selected by the faculty aligned with learning. School trips will allow students to get better acquainted with community resources and provide experiences that will enhance or support classroom and extra-curricular learning activities.

Field trips are designed to supplement the overall education experience of the children. The homeroom teachers plan the trips and make all necessary arrangements. In most cases there are fees associated with school trips that are included in tuition. Adult chaperone fees will be charged through TADS/Educate.

1. Trip locations are selected by the faculty and approved by the principal.
2. Transportation will generally be provided using private vehicles. There will be a driver serving as chaperone in each vehicle. The driver/chaperone must be at least twenty-one (21) years of age with a valid operator's license. Anyone other than a parent will be at the discretion of the school.
3. A driver will take only as many passengers as can be restrained by a shoulder harness and lab belt assembly. All passengers must use the seat belt assemblies provided in the vehicle. No student of any age will be placed in the front seat at any time.
4. In agreement with the American Academy of Pediatrics, we not only require all children be restrained with a shoulder harness and lap belt assembly, we highly recommend all children under 4'9" (56 inches) and under 80 pounds be restrained with the aid of a safety booster seat.
5. Individuals who provide transportation to school-sponsored events must be covered with adequate "No Fault" automobile insurance and medical coverage for the driver and passengers as approved by the State of Michigan.
6. If transportation is provided to a school-sponsored event by means other than private vehicle, permission of the school principal is needed.
7. A "Permission Slip" is required to be on file in the school office during each respective field trip. This "Permission Slip" should be signed by the parent or guardian and returned to the issuing person of responsibility. Verbal permission will NOT be accepted.
8. Chaperones, parent drivers and parents seeking to participate in the field trip are not allowed to bring additional children with the class or to the school-sponsored field trip.
9. Individuals who provide transportation to school-sponsored events may not stop at any other destination during the trip without prior approval from the supervising staff member(s).

7th & 8th Grade Fall Confirmation Weekend Retreat: The 7th and 8th grade confirmation retreat is part of the confirmation program as developed by the Pastor and Family Life Minister. Students are strongly encouraged to participate.

8th Grade Class Trip: The class trip is not required for completion of the academic program at Our Savior. Therefore, all Our Savior Lutheran School accounts (lunch, tuition, etc.) should be up to date prior to attending this activity. Please contact the homeroom teacher or school office with any questions.

Required Field Trip Attendance: Field trips are planned to support the curriculum and expose students to learning experiences that cannot be duplicated inside the classroom. If you do not allow your child to go, your child is still expected to come to school. The teacher will provide

assignments that will complement the field trip in a different way. If your child does not come to school that day, he/she is still expected to complete the assignment and will receive an absence for the day. Field Trip student fees are included in tuition.

Outdoor Education: Our sixth and seventh grade students spend two days at camp in nature-oriented, team-building situations. Fourth grade students spend a week at Annie's Big Nature Lesson. Facility leaders and instructors oversee activities with assistance from teachers and chaperones. These outdoor education student experiences are included in tuition. This program is a part of our planned curriculum at Our Savior. Therefore, all students are to be in attendance.

Field Trip Chaperones: Our Savior Lutheran School will conduct background checks on any and all chaperones prior to any school field trip. Background check forms are available in the school office. The background check form is to be completed and submitted to the school office each year by participating chaperones. The form is to be accompanied with a current copy of a driver's license and current copy of car insurance and will remain on file in the school office as required by the State of Michigan. Chaperones are responsible for their adult fee on any school field trip or outdoor education trip.

X. EXTRA CURRICULAR ACTIVITIES

A. Athletics

Our Savior Lutheran School offers a well-rounded sports program for the benefit of its students. The objectives of this program are to:

1. Provide an opportunity for students to participate in sports that they may not have in later years under more competitive circumstances.
2. Aim toward the highest Christian standards of sportsmanship.
3. Develop loyalty and a sense of camaraderie to the church and school.

Please see the Athletic Handbook for our athletic policy, eligibility rules, code of ethics and permission forms necessary for participation. A sports fee of \$60 per sport, per school year will be billed for each student participating in any school-related sport program (excluding PeeWee Basketball).

B. Student Council

Student Council representatives are selected through an application process at the beginning of the school year in grades 5-8. These students participate in various school leadership roles (e.g. school store, service projects, after school clubs, worship leaders, etc.) and meet on a regular basis to plan and carry out school activities, events and service projects.

C. After School Clubs

Our Savior Lutheran School provides after school activities three times during the school year. The purpose is to provide engaging learning activities beyond the classroom while fostering relationships amongst students, teachers, and community volunteers. These events occur three consecutive weeks in October, March, and May. Each club time frame is 3:30pm to 4:30pm.

XI. TECHNOLOGY USE POLICY & TECH COLLABORATION GUIDELINES

At Our Savior Lutheran School, we believe that technology is a vital tool and is to be used in a proper place. Technology is used for educational purposes to develop digital citizenship, avenues for communication, enhance thinking skills, and make instruction more efficient and effective, while developing life skills. With the use of technological devices comes responsibility, as use is a privilege, not a right.

A. Agreement for Using Collaborative/Individualized Technology

Since we apply technology in our learning, students will:

- 1. Work appropriately.** They will not intentionally change the work of another student to make it worse or intentionally ruin the work. Some amount of changing is expected when they collaborate or edit writing work. This is a goal of collaboration on a technology project. Students will be shown exactly what the teacher can see on a site and how accountability is built in with this tool.
- 2. Work respectfully.** Students will be reminded of God pleasing ways to disagree with another person without being rude or insulting. They will not write things that are negative, violent, or otherwise deemed inappropriate by the teacher.
- 3. Work responsibly.** They will be productive members of the class and technology project group to which they have been assigned.

As always, students will strive to apply Philippians 4:8 to their electronic communication: *“Finally brothers, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable, if anything is excellent or praiseworthy, think about such things.”*

B. Technology Guidelines for Student Use

1. Technology use at school is for educational or research purposes only, and used at appropriate times arranged by the teacher.
2. Photos and videos may be taken with teacher permission but may not be posted or published online in any form. Any photos or videos taken must be appropriate.

C. Misuse of a School Device

1. The device will be taken away for the remainder of the day.
2. A second offense will result in disciplinary action involving loss of privilege to use the school device determined by the principal.

D. School Technology Guidelines:

1. Students are responsible for Christian Behavior on school devices. Failure to follow will result in loss of privileges.
2. Students must alert an adult immediately if something on the internet makes them feel uncomfortable or is inappropriate.
3. Each teacher will review each student’s Google Drive to ensure files are responsible and follow school guidelines.
4. All Internet access is limited to educational purposes. Students are not allowed to use email, chat rooms, download software, or play non-educational games unless it is aligned with a specific assignment.
5. Students are not to reveal or give out photographs or personal information while using the Internet.
6. Students are to be respectful when using technology. Bullying is prohibited.
7. Students may only use the devices in the classroom when accompanied by an adult.

8. Students may use the lab printer as long as it is related to a classroom assignment. Students should always ask their teacher for printing permission.

E. Personal Electronic Device Policy

All personal electronic devices will be given to the teacher at the beginning of the school day and returned to the students at the end of the day. The homeroom teacher stores the devices in a locked location during the school day. Devices are not to be kept in backpacks or lockers during the school day.

The student who possesses a device is responsible for its care. The school is not responsible for preventing theft, loss or damage to personal electronic devices brought onto school property. All phone communication will be provided through the school classroom and office phones with permission. In addition:

Discipline:

- 1st offense: Device confiscated and returned to student at end of day
- 2nd offense: Device confiscated, parent to pick up
- 3rd offense: Device confiscated; possible disciplinary action taken

XII. SCHOOL RULES AND BEHAVIORAL EXPECTATIONS

Attendance at Our Savior Lutheran School is an honor and a privilege. A student, who chooses to attend, accepts the responsibility of behavior consistent with the philosophy and guidelines of the school. This includes respect in word and action for church, parents, community, school staff, and fellow students. Accomplishment of the above requires self-discipline and a balance of strength and patience.

Christian discipline underlies the whole educational structure. It is the training that develops self-control, character, orderliness and efficiency. It is the key to good conduct and proper consideration for other people.

Good discipline originates in the home and is continued at school. A parent should be mindful to:

1. Recognize that the teacher takes the place of the parent while the child is in school.
2. Teach the child God's Word, respect the law, authority, the rights of others, and for private and public property.
3. Arrange for prompt and regular school attendance and comply with attendance rules and procedures.
4. Work with the school in carrying out recommendations made in the best interest of the child, including discipline.
5. Talk with the child about school activities; show an active interest in the child's learning and relationships.

A. School-Wide Rules

1. Follow directions the first time they are given.
2. Do not engage in any behavior that jeopardizes the safety or learning of yourself or others. Keep hands, feet and objects to yourself.
3. Respond toward others in a positive manner, as Christ would have you do. Unkind words, actions and inappropriate language will not be tolerated.
4. Follow all specific area rules (classrooms, playground, lunchroom, commons, gym, etc.)

B. School-Wide Expectations for Respect, Kindness, and Compassion

1. As part of the Christian life, students are to respect and obey their pastors, teachers, and other adults in positions of authority such as secretaries, custodians, kitchen personnel, and staff.
2. All children are deserving of a fair share of the teacher's time and are responsible for eliminating behavior that prevents other students from learning.
3. Students are deserving of a safe environment while on the school premises and must accept that responsibility to follow rules necessary to achieve this goal.
4. The student has the privilege to use educational materials and equipment and the responsibility to give them proper care. Students are also to respect material and belongings of others.
5. Slang, street talk, cursing the name of the Lord, or openly abusive and derogatory language is unacceptable. Our speech should "always be gracious" as Paul encouraged in Colossians 4:6.
6. Controlled or illegal substances are strictly forbidden.
7. Students and parents are responsible for any willful damage to school or personal property.
8. Students are to be prepared for each class with books, homework, supplies, and all required materials.
9. Cheating will result in a zero for the work and possible disciplinary action.
10. Gum chewing is not permitted in the school or church at any time.

C. Playground Expectations

1. Follow direction of playground supervisors.
2. Use equipment properly and safely.
3. Play in designated areas only.
4. Do not throw rocks, snowballs or other harmful objects.
5. Boots must be worn in the snow.
6. Students must be dressed appropriately for the weather, including hats and gloves in cold weather.

D. Hallway Expectations

1. Follow directions of teachers and all other staff.
2. Always walk.
3. Hallways are quiet zones.

E. Lunchroom Expectations

1. Respect and follow the directions of adult supervisors.
2. Use good table manners and courtesy.
3. Keep the lunch area clean. If you make a mess, clean it up.
4. Drink only non-carbonated drinks.
5. Keep your own food to yourself.
6. Eat in a timely manner.
7. Ask for permission to leave the lunchroom.
8. Say a prayer of thanks before dismissal.

F. School Dress Code

We can look to God's Word for guidelines in all aspects of Christian living. Dress and grooming reflect an individual's attitude and self-concept.

The purpose for establishing a dress and grooming code at Our Savior is:

- To promote neatness, decency, modesty and respect regarding appearance.
- To promote unity, health and safety.
- To develop the philosophy of wearing the appropriate clothing at the appropriate time.

The cooperation of students, parents and teachers is necessary in maintaining the standards of our dress code. Parents are asked to partner with the school in monitoring their child's daily attire. Clothing should not detract from the objectives and goals of the school but should reflect our Christian values and give a positive witness to our Christian faith. Modesty, cleanliness, and neatness are guidelines to follow in respect to all wardrobe selections. The faculty will review questionable attire and grooming.

G. General Dress Guidelines:

Our Savior Lutheran will continually monitor our dress guidelines throughout the school year. As fashion trends change, we hope families and students make choices aligning with the values our community shares. The dress code guidelines will be open to revision, as needed, to help focus on the nature of our Christian educational setting. Teachers may modify these rules when a field trip or class activity would need such an adjustment.

H. Student Dress Expectations

1. All clothing must be neat, clean, and reflect the Christian atmosphere of the school.
2. Hairstyles should reflect moderation, careful grooming, and not distract from learning.
3. Feet must be covered at all times. For health and safety reasons, bare feet, flip-flops, sandals without back straps, or roller shoes are not to be worn to school.
4. Jeans and leggings are allowed but may not have holes (including "designer holes") or frayed hems.
5. The hem of all shorts or skirts must be at least mid-thigh length. All shorts and skirts must be worn at the waist.
6. Students may not wear halter-tops, halter dresses, spaghetti straps, or anything that is less than three fingers wide unless a jacket or sweater is worn over it. Clothing that reveals any part of the midriff or a low-cut neckline is prohibited.
7. Shirts or other articles of clothing may not have phrases, sayings, quotations or advertising slogans depicting anything offensive. This would include, but not limited to, any clothing that pictures or suggests a connection to violence, race, sex, drugs, alcohol, tobacco, swearing, and vulgarity.
8. Girls may wear modest amounts of make-up with parental permission, but they may not put make-up on at school.
9. Students must have a separate pair of shoes to be worn in the gym only for PE and indoor-recess gym activities.
10. Students must dress appropriately for weather conditions. Students not dressed appropriately for winter conditions (hats, gloves, boots, snow pants, etc.) will not be allowed to play in the snow and will be restricted to pavement areas. Boots worn for outside play may not be worn throughout the day in the classroom. Outerwear for inclement weather or snowy weather should be brought to school as appropriate, including snow boots, gloves, hats, scarves, etc. Jackets, coats, hats, sunglasses, gloves, etc. (outerwear) are not to be worn indoors during the school day unless otherwise specified. Outerwear is not permitted in the classroom. It is suggested that a sweater or sweatshirt be kept at school for times it may feel chilly in the classroom.

I. School Lockers

Each student will be assigned a locker. It is the student's responsibility to see that his/her locker is kept neat and orderly. The student will use only his/her assigned locker and should not tamper with any other. No objectionable pictures or adhesive stickers may be used in the lockers. The staff will determine any unacceptable attachments or accumulations during inspections. Middle School lockers are to be locked at night and the weekends. The school is not responsible for lost, stolen, or damaged items.

J. Books and Supplies

All children will receive their books and supplies according to the following arrangement:

1. Textbooks are given to students at the beginning of the school year and will be collected at the end of the year. Students are held responsible for the books that they use, and it is expected that they take care of them. Students are encouraged to cover all textbooks. Please do not use cloth covers as the wrong size cover damages the book.
2. Children are always expected to have the necessary supplies. A detailed supply list of materials required in each grade is provided to the parents and is available from the school office upon request.
3. In the case of damaged textbooks or library books, students will be assessed on the basis of age of the book and amount of damage the book has received (for damaged library books see library policies and procedures).

K. Damaged Property

Respect and care for property is expected at all times. School furniture, equipment and property must not be willfully defaced, marred or damaged by students. Repair or replacement charges will be made for any damage or destruction of school property to restore damaged articles to original condition.

XIII. STUDENT CODE OF CONDUCT

Our Savior Lutheran Student Code of Conduct

- I will conduct myself in a Christ-like and God-pleasing manner so that all my actions and words may be to the glory of God and the welfare of my classmates.
- I will strive to diligently complete all schoolwork and homework to the best of my ability.
- I will strive to obey the directives of all teachers, school personnel, adult volunteers, and the school principal.
- I will use appropriate language at all times.
- I will adhere to the dress code.
- I will adhere to the rules and expectations in the classroom.
- I will respect the rights of others to receive an education.
- I will respect school and/or private property.
- I will strive to act appropriately and to set a positive example of behavior in class, on the playground, and at all school events.
- I will pray for my school, its faculty, my church and its pastor.
- I will attend worship services regularly.
- As God has forgiven me, I will forgive others.

*Take responsibility for your actions. Your attitude should be that of Christ Jesus.
~Philippians 2:5*

The Student Code of Conduct is in effect:

- On school property at any time.
- At all school-sponsored or approved events and activities, either on campus or off school campus.
- While being transported to or from school either on a bus or in personal vehicles.
- With respect to any misconduct toward any school employee on and off campus.

The list of infractions is not all-inclusive and other conduct may also result in discipline. Our Savior Lutheran School reserves the right to revise this code at any time as it deems appropriate.

XIV. SCHOOL DISCIPLINE GUIDELINES

Given a school’s need to impose discipline for a wide range of anticipated conduct, Our Savior Lutheran reserves the right to allow discretionary judgment upon unforeseen indiscretions of students.

A. Student Guidelines for Consequences

It is the policy of Our Savior Lutheran School to inform parents of disciplinary measures. A suspension, whether half-day or all day, will be communicated to the parents and could result in loss of academic credit and/or participation in school-related extra-curricular activities.

Definition of Disciplinary Terms

1. School Detention (SD)- The student will receive work to be completed either before or after normal school hours under the supervision of an OSL staff member. Effort will be made to allow fair scheduling and arrangements with the parent(s).
2. In-School Suspension (ISS)- Students will receive assignments from the teachers that must be completed to maintain current grade level. The student will solely work and eat lunch under the direct supervision of staff.
3. Out-of-School Suspension (OSS)- The student may not attend school or school-sponsored activity for a specified period of time or until specified condition(s) is/are met.
4. B. Suspensions and Expulsions

Disruptive behavior by a student is analyzed and modified in the spirit of Christian relationships as defined by the Discipline Policy. When these efforts are not effective and a student persistently and/or deliberately disobeys school regulations, the principal has the authority to suspend the student for a maximum of one week. The school reserves the right to require a student to arrive early, to remain after school, to remove certain privileges, to suspend, or to ask a student to withdraw from school when school policies are violated. Consistent failure to cooperate with the faculty or with school regulations is grounds for expulsion.

Any sixth, seventh, or eighth grade student suspended during the school year will be on probation. If behavior has not improved satisfactorily, they will not be permitted to attend the sixth and seventh grade outdoor education camp or the eighth-grade class trip.

Students who are suspended will be required to make up the work. Such work may be subject to a reduced grade depending on the circumstances of the suspension. Parents are requested to pick up homework at the end of each day of the suspension. All homework is due upon return to school. A suspended student may not attend any school function during the time of suspension. At the discretion of the principal, any eighth-grade student suspended during the year may not be allowed to participate in the class trip. The suspension will be reported to the senior pastor. Upon the request of the parents, the suspension may be appealed to the senior pastor.

A student who persists in repeatedly disruptive behavior of a serious nature may be expelled after consultation with the principal, parents, teacher and senior pastor.

Removal from school does not mean that students involved are not forgiven. Rather, the disciplinary action is intended to emphasize the seriousness of the offence for a Christian school setting and to teach the consequence of such behavior, in much the same way that a failing grade may be the consequence of poor preparation.

C. Mandatory Expulsion Laws

Our Savior Lutheran School prohibits all students from bringing or possessing a dangerous weapon in a weapon-free zone without the prior consent or permission of a school principal or police officer. A

weapon-free school zone exists at every public and private K-12 school in Michigan and includes school grounds and vehicles that transport students in school sponsored events.

A student found in possession of a dangerous weapon in a weapon-free zone will be permanently expelled from Our Savior Lutheran School. In addition, within 3 days of a student's expulsion for having a dangerous weapon, or for committing arson or rape, Our Savior Lutheran School must and will refer that student to the appropriate department of Social Services or Community Mental Health. Notification of that referral shall be given to the parents or legal guardians.

State and federal laws define dangerous weapons as:

Gun, dagger, dirk, stiletto, pocketknife opened by a mechanical device, iron bar, and brass knuckles

Any student who has one of these weapons in his/her possession at Our Savior Lutheran School, on school grounds, or on school buses may be permanently expelled from Our Savior Lutheran School.

Students are expected to know what objects are considered dangerous weapons and avoid bringing them to school or on school grounds. Any student or parent who has a question about whether an object is a dangerous weapon should contact the principal BEFORE bringing such items onto school grounds or to school events.

D. Re-Admission to School Following Expulsion

Once a student is expelled, he/she may not re-apply for admission for the remainder of that school year. Permission to re-apply in a subsequent academic year will be at the discretion of the principal and must be based on evidence of a significant change in attitude and behavior on the part of the student. At that point, the student will go through the same channels for admission as a new student (interviews, etc.) and be required to interview with the school principal and pastor. If the student is accepted for re-admission to the school, he/she will re-enter under a probationary status that will be defined to both the student and the parents at a conference and in writing.

XV. BULLYING AND HARASSMENT POLICY

Our Savior Lutheran School believes that all students have a right to a safe and healthy school environment. Our Savior Lutheran Church and School and its families have an obligation to promote mutual respect, tolerance, and acceptance.

Our Savior Lutheran School will not tolerate behavior that infringes on the safety of any student. Bullying is any behavior that is repeated and intended to bring harm to another person. A student shall not intimidate or harass another student through words or actions. Harassment and/or bullying is defined to include any gestures or written, physical or verbal acts that are reasonably perceived as being harmful to a person or his/her property or places a person in reasonable fear of harm or has the effect of insulting or demeaning any person or group of persons. Harassment and bullying behaviors include (but are not limited to): verbal harassment, physical harassment, social harassment, visual harassment, and sexual harassment. Harassment or bullying may take place any time during school-related activities. "School-related" is defined to mean a classroom, elsewhere on school premises, on a school bus, or at a school-sponsored activity or event whether or not it is held on school premises.

Substantiated acts of harassment will result in disciplinary action. Persons found to have made false or frivolous charges will also be subject to disciplinary action.

A. Reporting A Bullying Incident

Our Savior Lutheran School expects students, staff, and parents to report incidents of bullying to the supervising teacher or principal. Staff is expected to intervene when they see a bullying incident occur. Each complaint of bullying will be promptly investigated. This policy applies to students on church/school grounds, while traveling to and from school or a school-sponsored activity, during the lunch period.

B. Corrective Administrative Procedures for Bullying

1. Students

1. Students being bullied should report it to staff, parents or church/school personnel.
2. Students that are aware of or have observed bullying activity should report it to any staff member, parents or church personnel.
3. Students should be willing to resolve bullying situations through a willingness to share what Christians do and do not do, granting forgiveness if it is asked for and making every effort not to repeat a negative behavior.

2. Parents

- i. Parents are encouraged to take what their children say seriously and report the bullying concerns to the school. As has been noted many, many times, “We cannot resolve or intervene in a situation if we are not aware that it has occurred or has been occurring.”
- ii. Parents need to accept that the full story may be complex and to trust the school in its processing of the information.

3. Staff

- i. All staff, church personnel and volunteers should take bullying reports seriously.
- ii. All staff should establish whether a bullying incident is isolated or an ongoing pattern of behavior. In either case, inappropriate behaviors should be addressed.
- iii. Teachers are to report all such incidents to the principal in writing.

C. Process and Procedures to Implement the Bullying Policy

1. Any student who believes he/she has been subjected to bullying or harassment may bring forward a verbal and/or written complaint to his/her teacher or principal for their review.
2. An Incident Report Form, signed by the complainant and the parent, will be submitted to the principal within five school days of the reported complaint. The principal will review and determine necessary steps.
3. The principal will be responsible for notifying the person against whom the allegation of bullying has been made. That person will have the opportunity to respond to the allegation.
4. The principal will complete the investigation, make a determination and recommendation of remedial steps necessary to stop the bullying behavior if warranted.
5. The principal and the reporting teacher(s) will meet with parties to propose an appropriate solution. Under the Family Education and Rights to Privacy Act (FERPA), discipline details will only be shared with the offender’s parent or legal guardian.
6. If any parties are not satisfied with results of the investigation, they can discuss the allegations, findings and/or actions taken with the senior pastor after working with the teacher(s) and principal.

XVI. CONFLICT RESOLUTION, COMPLAINTS & GRIEVANCES PROCEDURES

Conflict Resolution & Holy Manners

Our Savior Lutheran Church and School believes in Holy Manners. Holy Manners will enable us to better serve God, our church, our school, our family, and everyone He places in our path. Holy Manners are promises that we make to each other that are shared expectations of Christian behavior that we strive to offer each other. When practicing Holy Manners, people will feel safe and will be more likely to experience healthy relationships.

In Holy Manners our churchschool community strives to practice patience, humility, forgiveness, thankfulness, and love. Through Holy Manners we practice Jesus' instructions for conflict found in Matthew 18:15-17,

“If your brother sins against you, go and show him his fault, just between the two of you. If he listens to you, you have won your brother over. But if he will not listen, take one or two others along, so that every matter may be established by the testimony of two or three witnesses. If he refuses to listen to them, tell it to the church.”

If you are experiencing challenges with a situation with a staff member you are requested to practice Holy Manners by:

1. Informing and talking with the respective staff member involved. Communicate and listen objectively, rationally, and clearly in order to come to the best resolution for all involved.
2. If the situation is not resolved after meeting with the staff member, contact the principal.
3. The senior pastor may be consulted only after discussions with the staff member and principal.

Complaint and Grievance Procedure

In order that we might give witness to the oneness we have in Christ, Our Savior Lutheran School desires to operate its programs in full compliance with all Federal Civil rights statutes. That concerns might be handled in an orderly and fair manner, a complaint/grievance procedure for Title VI and Title IX of the Education Amendment Act of 1972 and Section 504 of the Rehabilitation Act of 1973 has been established. If any person believes that Our Savior Lutheran School or any part of the school organization has inadequately applied the principles and/or regulations of:

- Title VI of the Education Amendment act of 1972 (Race, Color, or National Origin Discrimination).
- Title IX of the Education Amendment Act of 1972 (Sex Discrimination), or
- Section 504 of the Rehabilitation Act of 1973 (Handicap Discrimination),

he/she may bring forward a complaint, which shall be referred to as a grievance, to the local Civil Rights Coordinator at the following address:

Mr. Matthew Couser
Our Savior Lutheran School
7910 E. St. Joe Hwy.
Lansing, MI 48917

A written statement concerning the grievance and acceptable accommodation to the grievance should be filed in the school office. All grievances will be kept on file. Grievances and grievance

proceedings will be kept confidential on the request of the complainant. It is our intent that matters of concern will be handled in a God-pleasing manner so that we might work in harmony, helping each other grow in faith and service.

XVII. SCHOOL SAFETY GUIDELINES

A. Medication Policy

School personnel will not administer medication unless parents have sent a signed permission form to school along with the medication ahead of time. The Medication Permission Form is available in the school office and must be on file before any medication can be given to the student. Students with prescribed inhalers may keep their inhaler accessible as needed as arranged with the teacher.

Parents are required to provide any pain relief or over-the-counter medicines they wish their child to have while at school. Any prescription medication must be prescribed by a physician and taken according to the doctor's orders. All medications will be kept in the school office.

Early childhood families (families of preschool, prekindergarten, extended care students) are permitted to pick up their child (student) directly outside the classroom without having to check in at the office at the dismissal times of 11:15am and 3:15pm.

Visitors must use the intercom system located at the main entrances of the building. During school hours, for the safety of our school community, no one is permitted to enter the building at any other location other than the school or church entrance doors. The intercom system requires visitors to identify themselves by voice and a visual camera. All delivery persons and workmen will be required to stop by the office first.

To ensure this security of our staff and students, please do not hold the door open for others, unless they are with you. Once you have entered the building, please ensure the door is completely closed behind you. Do not prop open the school doors at any time.

Parents are always welcome to visit the classrooms or join their child for lunch. Please notify the school office before 9:00am if you plan to eat hot lunch.
