## Put Others First - Vicar Moses Shares Chapel Message

We loved having Living Word Lutheran Church's Vicar Moses Dangba visit OSL on Wednesday. He shared a message based on Philippians 1:3-6: *I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.* First trimester chapel offerings are designated to bless Living Word Lutheran's ministries in Lansing, MI.

## School Picture Day

School Picture Day is next week Wednesday, September 15th. Picture order forms went home with all students last week. Please note that pictures are ordered online directly through Geskus. ### **Attendance**

If your child is ill and will be out of school for the day, please notify the school by calling the temporary phone number at 517-928-0394 or email [attendance@oursaviorlansing.org](mailto:attendance@oursaviorlansing.org). Please state your child's name, grade, date of absence and the specific reason for the absence. Please note this year due to COVID-19 we need to know specifics as to why your child is not in school. If you leave the message that your child is sick, the school will call you to see exactly what symptoms your child has. Thank you for your help in keeping our students, teachers and staff safe.

### **Medications at School**

If your child must take medication during the school day, please bring that medicine to the school office and complete a Medication Permission form. Children who keep inhalers in their backpacks should also have a Medication Permission form on file in the school office. All medicine must be in the original packaging and labeled with your child's name. If you think your child may need medicine for headaches or sore throats, please supply the office with the appropriate medication you wish your child to have. The school office does not keep any medication on hand to give your child. If your child has a headache or needs medication and we do not have that medication from the parent, a call will be made to the parent to bring medication.
