STEAM ACTIVITY:

First Grade Egg Drop

Could you keep an egg from breaking if you dropped it 20 feet? Mrs. Engelbrecht's first grade paired up to make a contraption that would keep an egg safe when dropped from the school roof. Out of 12 teams, only one had a broken egg!

PTL hosted the Our Savior Family Fun Night...A huge blessing!

We had a blast at the OSL PTL Tailgate on Friday night. Fun, food, families, and football...it was a full evening to conclude the week. Blessed with some amazing weather and a huge turnout (over 200 people), it was a wonderful way to kick-off the school year. Our Savior strives to provide time and space for children and families to connect and be active. Major thank you to the PTL team for organizing, to the many volunteers, food trucks, and inflatable obstacle course by Planet X.

Notifications for Early Pickups

Please help us by notifying your child's teacher and the receptionist in advance for any early pickups from school. The teacher will have the child in the receptionist's office at the time you have given. This advanced notice will help ensure that your child is in the office when you need them and also avoid disruption of the learning of the other students in the classroom. Thank you.

Please state your child's name, grade, date of absence and the specific reason for the absence. Due to COVID-19 we need to know specifics as to why your child is not in school. If you leave the message that your child is sick, the school will call you to see exactly what symptoms your child has. Thank you for your help in keeping our students, teachers and staff safe.

Milk - Al a Carte

Hot lunch is free to all students, Milk taken without hot lunch or al a carte, is \$.65 each. If you have a question about your balance, please check your account on educate.

Medications at School

If your child must take medication during the school day, please bring that medicine to the school office and complete a Medication Permission form. Children who keep inhalers in their backpacks should also have a Medication Permission form on file in the school office. All medicine must be in the original packaging and labeled with your child's name. If you think your child may need medicine for headaches or sore throats, please supply the office with the appropriate medication you wish your child to have. If your child has a headache or needs medication and we do not have that medication from the parent, a call will be made to the parent to bring medication.
