### School Office Medications

Parents are reminded to pick up their children's medications from the school office by the end of the school year. Medications needed for summer camp will need to be picked up and handed in to the camp counselors. If you need your meds over the summer or next fall, please be sure to pick them up. All medications left in the school office will be disposed of during the summer.

opportunity to help our community through the Lansing CityServe event. This year we will be partnering with several area

churches to help those in our community that may not have the ability to do certain projects at their homes. If you would like to help but are not able to for any reason, but would like to help with a monetary donation, you can submit that to the church office and designate it for Lansing CityServe. For more information, please visit the CityServe webpage.
