ATHLETIC POLICY

PREFACE

In order to provide students with a complete, well-rounded program, Our Savior Lutheran believes athletic activities are an important tool in teaching students to make use of their God-given talents and skills. We define athletic activities as any activity that takes place in whole or in part outside the confines of the normal classroom setting. Considering the resources of time, facilities, and coaches, we strive to provide the opportunity for as many students as possible within our guidelines, to pursue activities of interest in the area of athletics. We strive for full utilization and development of God-given talents through our athletic program.

CREDO

We believe each of us has a unique set of gifts, talents and abilities from God's grace. Some of these are physical, some intellectual, some emotional, and some attitudinal.

Since the maturation rate of each student is different, and the accurate early identification of gifts is difficult, we should encourage each student to develop their talents and gifts as they grow.

We believe that participation in athletic activities is a privilege, not a right, and that it is contingent on students maintaining satisfactory academic progress and attitudes while following the guidelines in the Eligibility Policy.

We believe that students participating in athletic events should maintain the highest Christian standards in word and deed during general school life, practice, and competition.

We believe that competition is important, however, the primary purpose of the athletic activities is that God be glorified as participants use their God-given gifts, talents, and abilities.

1.130 - ATHLETICS

1.1310 - Goals and Objectives

1. To provide a means by which our church and school may give witness of Jesus Christ to the community and to individuals.
2. To provide for Christian fellowship.
3. To develop loyalty to church and school through sports.
4. To develop the highest Christian standards of sportsmanship.
5. To develop proper attitudes towards one's body and its care and development.
6. To develop a lifelong interest in physical activity and exercise.
7. To develop skills for all participants.
8. To provide an opportunity for all to participate in sports on a regular basis.

1.1311 - Health Requirements and Medical Exams

All students participating in Basketball, Track, Soccer, Volleyball or Cross Country must have an annual physical health certificate, obtained from the office, signed by a resident physician. The certificate is to be returned to the Athletic Director and will be on file for one year from date it was signed by the physician for any participant through the 8th grade. This certificate must be on file **before** the student can participate in practice or in games. Serious injury or extended illness (over 1 week) requiring doctor's attention nullifies any previous certificate. Written permission from the attending physician is needed for the student to resume participation in practice or games.

1.1312 - Qualification of Coaches

8. Upon the Athletic Director's receipt of the signed medical clearance form, the student athlete will be allowed to return to athletic activities under the care of the coach. The coach is required to use a 5 step approach to returning the student athlete to full active participation to ensure that concussion symptoms don't return.

ATHLETIC ELIGIBILITY RULES

"For you are bought with a price; therefore glorify God in your body and in your spirit, which are God's."
— 1 Corinthians 6:20

The Athletic Eligibility Rules have been written so that all interested individuals will have the same understanding of the rules. They have been written recognizing the unique character of each individual student, the opportunity for strengthening their Christian faith, the blessing and privilege of Christian fellowship that is inherent in extracurricular activities, and the occasions for Christian witness that these activities provide.

1. The Process of Ineligibility

The following rules will be in effect from the beginning of the school year till the end of the school year. The Principal, Athletic Director and Teachers shall make determination regarding the eligibility of all students at any point during the sports season.

- A letter will be sent from the Athletic Director notifying parents in any ineligibility circumstances.
- Students deemed ineligible shall remain ineligible for a minimum of two weeks unless otherwise noted in the ineligibility letter the parent will receive.
- Students who become ineligible will not be allowed to participate in any athletic activity during their ineligibility period. They will not be allowed to attend any practices or games, home or away, as an active member of the team.

2. Grades Lower than 70%

Students who maintain a 70% grade average or higher in **each** subject area will be eligible. The subject areas are:

- CHRISTIAN STUDIES
- MATHEMATICS
- SCIENCE
- READING/LITERATURE
- SOCIAL STUDIES
- ENGLISH (grammar, writing, spelling, handwriting)
- SPANISH (7th & 8th Grade)

This is NOT a cumulative grade average. It applies to the individual classes listed above.

The eligibility policy for all non-core subjects is that students who maintain a 70% (C-) grade average or higher or, if applicable, a **SATISFACTORY (S-, S, or S+) OR HIGHER** grade in **each** subject will be eligible. The non-core subject areas are:

- ART
- PHYSICAL EDUCATION
- CHOIR
- BAND
- HANDBELLS
- COMPUTERS
- SPANISH (6th, 7th & 8th Grade)
- MUSIC

PLEASE NOTE -

- After consultation with the Principal and Athletic Director, a teacher may waive any ineligibility if the student is putting forth appropriate effort or is showing improvement in the subject areas that have been weak.
- The "grace" a teacher may show to a student who falls below the eligibility standard will only be extended one time during the school year. If the student participates in another sport, later in the year, that has already been shown grace previously in the school year, any grade that falls below the academic standard will result in the automatic ineligibility from that sport for a minimum of the two week period and the grade(s) needs to rise above the standard before the student is allowed to participate in the sport(s) again.

3. Unsatisfactory Behavior

- For occurrences of gross misbehavior not specifically covered by these rules, the Principal in consultation with the Athletic Director may at his/her discretion suspend a student from participation in athletic activities.
- The Principal may after consultation with the Athletic Director, Pastors, teachers and other involved individuals suspend enforcement of these rules.
- The Principal and Athletic Director will meet with the faculty to determine eligibility. The Principal will notify the Athletic Director of those students that are ineligible.
- If you have any questions concerning these rules, please contact the following:

PARENT/PLAYER and COACH CODE of ETHICS

Our Savior Lutheran School Sports Program

The sports program at Our Savior Lutheran School is viewed as a way to create a well-rounded program for the students we service every year. Sports should be treated as secondary to the student's academic work. Athletics offers a student the opportunity to become a TEAM player rather than a "lone" player. It also helps to foster high Christian standards in word and deed. Furthermore, participation is a privilege, not a right. Keeping this in mind, there are some standards to which we need to adhere.

Our Savior Lutheran School has developed a Code of Ethics for parents as well as players to show an understanding of what is expected here at Our Savior Lutheran. Coaches, parents, and students are to read and go over the Code of Ethics as printed on the following pages to show an understanding of what is expected of you here at Our Savior Lutheran.

Please sign and return the Code of Ethics to the Athletic Director prior to the beginning of the sport in which you will be involved. The ethics forms can be found on the following pages along with the Transportation Insurance form Parent Permission form and Concussion Policy Acknowledgement form.

Parent's Code of Ethics

As a parent whose child(ren) is/are participating in the Our Savior Lutheran sports' program, I/We will:

- Support my/our child(ren) by helping him/her/them learn the sport he/she/they are involved in.
- Give my/our child(ren) constructive feedback on his/her/their efforts, remembering that I/we can't live vicariously through our child(ren)'s involvement in a particular sport.
- Take an active role in my/our child(ren)'s academic schooling by making sure that he/she/they is/are not involved in too many extracurricular events so the academic work suffers.
- Support my child(ren)'s coach by letting the coach know that you appreciate the effort being given and the time he/she is putting in to help my child(ren). Look for the good things being done by those individuals, not the mistakes that are sometimes made. If you criticize your child(ren)'s coach, your child(ren) may become negative too.
- Support your child(ren)'s team no matter who plays a lot and who doesn't; no matter who does well and who doesn't; no matter whether your child(ren)'s team wins or loses. Support ALL the players on the team and your child(ren) will have a much better relationship with teammates.
- CONTROL MYSELF at all times whether it is at a game, towards a coach, towards other parents or officials, etc... I am a representative of Our Savior Lutheran School and I need to present our school in a positive light to other schools we compete against by my actions.
- Attend the Parent Meeting at the beginning of the sport season that my child(ren) is/are involved in.
